Certificate III in Hospitality

Qualification Overview

The Certificate III in Hospitality is tailored for individuals seeking to enter or advance within the vibrant hospitality industry of Western Australia. Whether you're looking to kickstart your career or return to the field, this skill set provides an ideal foundation.

With WA boasting a diverse hospitality landscape, including bars, cafes, restaurants, hotels, and resorts, there's ample opportunity for both entry-level positions and career progression. This qualification equips learners with essential skills and knowledge required for success in this dynamic sector.

Throughout the course, students will master a range of competencies essential for hospitality roles. This includes sourcing and utilizing information on the hospitality industry, working effectively in hospitality service, providing exceptional service to customers, demonstrating social and cultural sensitivity, coaching others in job skills, and participating in safe work practices.

Moreover, the curriculum encompasses vital aspects of responsible service of alcohol (RSA), barista skills using commercial machines, effective communication techniques, and food safety protocols. By completing this qualification, individuals will be well-prepared to thrive in various hospitality settings, meeting industry standards and ensuring customer satisfaction.

Certificate IV in Hospitality

Qualification Overview

The Certificate IV in Hospitality offers an extensive and comprehensive skill set designed to empower individuals with a deep understanding of the hospitality industry. Students will gain proficiency in a broad range of hospitality skills while developing sound knowledge of industry practices.

Within Western Australia's bustling hospitality scene, this qualification enables learners to work both independently and as part of a team, essential for success in leadership roles within the industry. From enhancing customer service experiences to managing conflict, students will delve into various facets of hospitality operations.

The curriculum covers diverse areas, including managing finances within a budget, coaching others in job skills, rostering staff, leading and managing people, and monitoring work operations. Additionally, students will focus on implementing and monitoring work health and safety practices, crucial for ensuring a safe and compliant workplace.

By completing the Certificate IV in Hospitality, individuals will not only expand their practical skills but also gain valuable insights into industry trends and best practices. This qualification serves as a stepping stone for those aspiring to take their hospitality careers to new heights, equipped with the expertise needed to excel in this dynamic sector.
